**V – C = \_\_\_\_\_ Your Variety/Consistency Score**

This number indicates the strength of your general desire for variety in your day.

**+10 =** You have an extreme need for variety and strongly reject consistency.

**+5 =** You have a moderate need for variety, with only an occasional need for consistency.

**0 =** You have an equal desire for consistency and variety.

**-5 =** You have a moderate need for consistency, with only an occasional need for variety.

**-10 =** You have an extreme need for consistency and strongly reject variety.

The intersection between your **Variety/Consistency Score** and your **Terms of Victory** determine your most likely preferred primary and secondary Rhythms.
